The gospel for the third Sunday of Easter is always one in which the risen Christ shares food with the disciples, meals that are the Easter template for the meal we share each Sunday. In today’s gospel, Jesus both shares the disciples’ food and shows them the meaning of his suffering, death, and resurrection through the scriptures, the two main elements of our Sunday worship.

If you are unable to attend in-person worship, we invite you to join us for Virtual Church live on Sundays at 10:30AM. The live service is accessed through a Zoom meeting. The meeting ID is: 516-606-284. The password is: 448806. Rebroadcasts of the service are available starting Monday afternoon on Facebook (search St. Luke United Lutheran Church) or YouTube (search St. Luke United Lutheran Church).

We are happy to provide an opportunity for you to worship from home. We hope that it is in some way meaningful and helpful. Unfortunately, the costs of being a congregation go on even if we are quarantined in our homes and cannot worship together. If you are a member of St. Luke’s, please continue your regular contributions to your congregation’s mission. If you are not a member, we welcome your support as well.

Announcements

Outdoor Worship

The Council has decided that while LaPorte County is designated orange status based on covid numbers, worship will be held only outdoors. Please bring your own lawn chair OR plan to park your car facing the doors of St. Luke United, directly behind the small strip of grass, which designates the turn around. (Think of this as a "Drive-In" theater) Those choosing to sit in their own lawn chairs must maintain 6 feet social distance from other households.

Masks must be worn when moving around the property and any time you are in the building, whether for worship set up, worship tear down, or if you need to use the restrooms, per LaPorte County Health Departments extended mask mandate. You are encouraged to wear your mask at all times, however, to reduce your risk.

Attendees will be encouraged to print worship materials at home, as we will not use shared materials.

Food pantry

The food pantry request for April 18, is baked beans & soup. Special Notice: The food pantry is in need of brown paper bags to package grocery items.
